

# High Energy Physics Group(HEP)

## COMPUTER ACCOUNT REQUEST FORM (PartIII/Long Vac projects)

Please read <https://www.hep.phy.cam.ac.uk/computing/public/account-request.html> before submitting this form.

First name  Last name

CRSID

Your HEP account is different from your University account. We will redirect all your HEP e-mails to your University e-mail account unless you ask us not to. In any case you should check for HEP emails regularly as this is how we distribute information about our computing systems.

Supervisor's name

### HEP activity: (please tick one)

Name of the HEP activity most closely related to your project. If you are not sure, please ask your supervisor for this information.

ATLAS     LHCb     MicroBooNE & DUNE     RadNet

Theory

Other    Please specify

### Project type: (please tick one)

Part III project

Long Vac project

Other    Please specify

Please email the filled form to [manager@hep.phy.cam.ac.uk](mailto:manager@hep.phy.cam.ac.uk) in order for the account to be set up. You will also need to e-mail the signed "Acceptable Use Policy".

Note: Any files that you create on our systems related to your project will be transferred to your supervisor when your account is closed.
